

# Elephant Jokes.....

What time is it when an elephant sits on your fence?  
Time to get a new fence.

Why do elephants paint the soles of the feet yellow?  
So they can hide upside-down in the custard.

How do you know when an elephant has been in your fridge?  
There are footprints in the butter.

Why are elephants large, grey and wrinkled? (1)  
If they were small, round and white they'd be asparins.  
Why are elephants large, grey and wrinkled? (2)  
Have you ever tried ironing one?

What's grey, has four legs, and a trunk?  
A mouse, going on holiday.

What's brown, has four legs, and a trunk?  
The same mouse, coming back from holiday.

Why do elephants have big ears?  
Because Noddy wouldn't pay the ransom. ( Noddy, Big Ears, get it? )

Why do elephants paint themselves green?  
So they can sneak across snooker tables without being seen.

How do elephants get up trees? (1/3)  
They sit on an acorn and fall asleep.  
How do elephants get down from trees? (2/3)  
They sit on a leaf and wait for Autumn.  
Why are crocodiles long, thin and flat? (3/3)  
They walk under trees in Autumn.

How do you fit four elephants into a Mini?  
Two in the front, two in the back.

How do you know when an elephant is visiting your house?  
There's a Mini outside with three elephants in it.
